x Advanced Problems
in Mathematics I have
given each problem a
difficulty rating ranging
from to . Difficulty in
mathematics is in the
eye of the beholder:
you might find a
question difficult
simply because you
overlooked some key
step, which on another
day you would not
have hesitated over.

Solution

Main and Advanced is meant for aspirants preparing for the entrance examinations of different technical institutions, especially NIT/IIT/BITSAT/IISc. In writing this book, I have drawn heavily from my long experience of teaching at National Level Institutes. After many years of teaching, I have realised the need of designing a book that will help the
