Aircrew Survival Air Force Pamphlet 36 2246

The original publication date is 1996. The book makes an excellent survival guide. It comes spiral bound between two plastic covers. The pages themselves seem to be printed on durable,water resistant paper. Each page tells you step by step how to evade/survive in a wilderness setting. The book is similar to the SAS survivor's guide.

Survival, Evasion, Resistance, Escape specialists are the Air Force's foremost experts on surviving in the hostile and austere environments around the world.At Royal Air Force Mildenhall, SERE specialists train aircrew year round on survival tactics and,

SERE keeps aircrew on their toes > U.S. Air Forces in ...

cweimer4 / Getty Images The Air Force operates several military adaptations of commercial passenger planes, such as the C-20 Gulfstream, in which flight attendants provide for passenger safety, comfort, and meals. They often cater to military passengers, as well as military retirees and family members on "Space Available" flights.

Overview of Air Force Aircrew Careers

The Air Force Survival Training manual (specifically the AFR-64) is, in my opinion, the cream of the crop. In fact, many of the numerous commercial and military books and manuals are based off of this manual (much of which which is copied verbatim — both the words and text!).
