As much as I don't like it when people just answer with 'google it', it's times like this when that response is appropriate. A simple Google search (using the keywords algorithms 4th ed solutions) led me to 2 relevant links on the first page result. I'll leave it as an exercise for you to do the search.

Algorithms 4th Edition Sedgewick Solutions : learnprogramming

Unlike the instructor's manual for the first edition of the text—which was organized around the undergraduate algorithms course taught by Charles Leiserson at MIT in Spring 1991—but like the instructor's manual for the second edition, we have chosen to organize the manual for the third edition according to chapters of the text.

Introduction to Algorithms - Manesht

Welcome to my page of solutions to "Introduction to Algorithms" by Cormen, Leiserson, Rivest, and Stein. It was typeset using the LaTeX language, with most diagrams done using Tikz. It is nearly complete (and over 500 pages total!!), there were a few problems that proved some combination of more difficult and less interesting on the initial ...
