If it is a short trip, under 6 hours, then your cat will be just fine staying in the carrier the entire time. If it is a longer trip, especially if it is over a several day period, you may want to let your cat out of the carrier periodically to get a drink of water and use the litter box.

### Traveling With Your Cat - All Feline Hospital

Depending on how your cat handles being on the road, your vet may be able to help. Though we probably wouldn't sedate our cats, some may suggest you sedate them or give them medication for motion sickness when traveling with cats in a car. There are also pheromone sprays to help calm your cat in stressful situations.

- A bad road for cats. - She prayed he hadn't wandered this far. The two details above allow me to make the conclusion that the woman was looking for Louis along a bad road for cats although she prayed he had not wandered to that dangerous road. Hence, it is likely that she was looking for Louis, her cat. Answer: Louis was the woman's cat. 2.

### Comprehension | Answering Inferential Questions

Gradually accustom your cat to spending time in the car with the engine off, then with the engine on, then short trips, then the cross-country adventure. Prior to long road trips with cats be sure your cats have food and water available, then remove food and water at least three hours before you set off.

### How to Travel With a Cat | PetMD

Cats are notoriously bad at road-tripping. They're not at all like dogs, who love sticking their heads out the window and lapping up some fresh air (and maybe a few bugs). When I made the trek from Phoenix to San Francisco to relocate for my job, all I had was a moving truck with a small passenger cabin and very little space for not one, but ...

### Road trip with cats? Yes, you can! | Orbitz

To lessen the cat's stress you can take it for short trips like the bank of the nearest river or park or market. This will help the cat to cope up easily with the upcoming long distance journey. In the worst case, if your cat is not at all ready for the trip and this is making the cat more anxious then you can ask for a sedation.

### How to transport a Cat by Car Long Distance? (Easy ...

Begin to read aloud a short story with a strong main character who changes during the course of the story. "A Bad Road for Cats" by Cynthia Rylant is used as a model throughout the lesson, but you may use any short story you wish. In "A Bad Road for Cats," the reader is introduced to a poor, harsh woman named Magda who is searching for her lost cat.
