In 1914, just as he was at the height of his powers, Debussy discovered he had cancer. An operation left him so debilitated that he composed nothing for over a year. Before his death on March 25th 1918 in Paris, he completed one final masterwork, the Violin Sonata. Did you know? Debussy's obvious talent for the piano led to his winning a place at the junior department of the Paris Conservatoire in 1872 when he was only 10 years old. View more
