Digital Signage Broadcasting

Many argue that digital signage is only as good as it is personal and showing someone else's content - a newsfeed, or perhaps a TV series, is a lazy way of attracting attention. For us, we believe in the power of a shared viewing experience, which will differ depending on context, audience and use case.

Mixing Live TV and Digital Signage - What You Need to Know ...

Personalized digital content. One specific use of digital signage is for out-of-home advertising in which video content, advertisements, and/or messages are displayed on digital signs with the goal of delivering targeted messages, to specific locations and/or consumers, at specific times. This is often called "digital out of home" (DOOH).
