Finance And The Good Society

Finance and the Good Society is Shiller's most recent work on the state and role of finance in society.

Given the economic climate and the time weve now had to reflect, the book is a

Get Free Finance And The Good Society

good addition to literature of late, which has primarily been focused on causes with a sprinkle of literature suggesting solutions.

Finance and the Good Society: Shiller, Robert J ...

Finance and the Good Society was a well thought out and articulate collection of essays from the author. It is a little idealistic, but Schiller

We need more financial innovation--not less--and finance should play a larger role in helping society achieve its goals.

Challenging the public and its leaders to rethink finance and its role in society, Shiller argues that finance should be defined not merely as the manipulation of money or the management of

Good Society : NPR

Finance is a “functional” science that exists to support other goals – those of society. And the better aligned a society’s financial institutions are with its goals and ideals, the stronger and more successful the society will be. To create that kind of alignment, we must begin to think about finance differently.
