Multicultural Counseling Skills. Gaining cultural competence and becoming a multicultural counselor involves developing the right skill set that enables therapists to meet the individual needs of their clients. Multicultural counseling involves several key factors that are often gained through education and work experience.

Multicultural Counseling: Types, Strategies, and Techniques

In counseling and therapy groups, it is not good to ignore ____ and to lead group as if everyone is comfortable with everyone else. This creates trust problems. One negative/hostile member can create impossible dynamics unless the leader tries to neutralize the impact of the member. The leader needs exceptional skills to do this work.
