A hospice home health aide, also commonly referred to as an HHA, is trained to provide personal care to patients in their own home environment. Home health aides may be hired privately by patients or their families or provided directly by a home health or hospice agency. Home health aides from hospice and home health agencies may visit patients one to three days a week to provide thorough care. 1 They interact with the patient and perform some variation of the above services during such ...

I was able to go to the hospital to sit in on the weekly hospital or staff reports of patience well being and progress. I often visited home to give other caretakers relief. I would go to sit with the Hospice patience on the ward to comfort them and spend some time to let them know that someone else cares about their wellbeing's too.
