From 1924 to 1963, the International Harvester Farmall tractors were the largest-selling row-crop tractors. While the original Farmalls were slate blue in color, in the summer of 1936, the company switched to using red; however, a very few Farmall tractors were painted white in 1950 for a special promotion.

Farmall was a model name and later a brand name for tractors manufactured by the American company International Harvester (IH). The Farmall name was usually presented as McCormick-Deering Farmall and later McCormick Farmall in the evolving brand architecture of IH.. Farmalls were general-purpose tractors. Their origins were as row-crop tractors, a category that they helped establish and in ...
