While the country will continue to enjoy good relations with the West, the time has come for Japan to embrace its Asian heritage and future, as well as its own potential contribution to world affairs. A globally engaged, more open Japan, the authors argue, is win-win-win: good for Japan, good for Asia, and good for the world.

Japan - Japan - The opening of Japan: In 1845, when Abe Masahiro replaced Mizuno Tadakuni as head of the rōjū, there were various reactions against the Tempō reforms. Reaction against domestic reform was comparatively calm, however, and the major stumbling block facing the bakufu was the foreign problem. The Netherlands, the only European power trading with Japan, realized that, if Britain ...
