Master of Deceit is a highly-detailed biography about an FBI Director named J. Edgar Hoover, written by Marc Aronson. The book unravels into not just a biography but deep descriptions of U.S. immigrant history, and the general growth of the FBI during that time.

Master of Deceit: J. Edgar Hoover and America in the Age ...
Masters of Deceit is the product of J. Edgar Hoover's almost obsessive fear of Communism. Although Communism may seem to be almost an anachronism from a time gone by, it was a powerful force in the 1930s and the 1940s. By the mid-1950s, when this book was written, membership of Communist Party USA had slipped from its 1944 peak of around 80,000. However, Hoover continued to devote substantial FBI governmental resources to investigating the Communist Party USA, while ignoring the more serious ...

Masters of Deceit by J Edgar Hoover, First Edition, Signed ...
I fear that in the zealous effort to decry the excesses of J. Edgar Hoover's FBI and its smearing of political and social opponents, "Master of Deceit" engages in a form of smear tactics itself by engaging in much historical revisionism and tenuous linkages to other social forces at work in America in that era.
