2020 Mercedes-Benz C-Class Specs, Trims & Colors | Cars.com

In fantasy land the 3.47 gears out of a 617 non-turbo with a 5-speed would be heaven, depending on what the overdrive gear is. At around .9 final drive with 3.47's is 3.12. I'd still want lower, I'd go with 3.07's still probably, final drive at .9 OD would be 2.76, nice and meaty for cruising up at today's highway speeds.
