Popular Lies About Graphic Design

In Popular Lies About Graphic Design Ward has great fun slipping into the role of our industry's Enfant terrible, juxtaposing his masterfully eye-popping and starkly exquisite typographic skills with contrarian prose that debunks both myths and lies that at one moment step on your toes and the next makes you burst into a deep guttural laugh in the face of our industry's most tired belief systems.

Popular Lies About Graphic Design: Ward, Craig ...

Multi award-winning designer, typographer and TED speaker, Craig Ward, presents his first self-authored book - Popular Lies About Graphic Design. An attempt to debunk the various misconceptions, half truths and, in some cases, outright lies which permeate the industry of design. Lovingly designed and written both passionately and irreverently, Ward pulls from his ten years.

Popular Lies About Graphic Design by Craig Ward

In Popular Lies About Graphic Design (UK: public library), New-York-based British designer Craig Ward sets out to debunk the "misconceptions, half truths and, in some cases, outright lies" embedded in the familiar aphorisms and maxims instilled in young designers — a crusade against putting blind religion rather than critical thought at the heart of the discipline.

Popular Lies About Graphic Design - Brain Pickings

The result, 160 pages later, is 'Popular Lies About Graphic Design'... Drawing on my ten years experience, it tackles lighter subjects such as design fetishists, Helvetica's neutrality and 'urgent' briefs, alongside discussions on more worthy topics such as the validity of design education, the supposed death of print, client relationships and pitch planning.

Popular Lies About Graphic Design on Behance

I've been reading Popular Lies About Graphic Design, by Craig Ward.It's excellent, for Craig's opinions as well as the visuals used to express them. "When a headline or piece of communication is presented in such a way that you can't imagine it ever looking any other way; when you can't pick a hole in the kerning of a single pair of letters; when you are struck between the eyes by a ...

Popular Lies* About Graphic Design - Actar Publishers

But the happiest payoff of "Popular Lies" is that Ward brings as much vision and wit and clarity to the content of his words as he usually does to the visuals of them. This is a lovely, lively book, one that non-industry readers like me, who just barely qualify as the "fetish for design" types, will adore just as much as the working ...

Amazon.com: Customer reviews: Popular Lies About Graphic ...

Popular Lies About Graphic Design. By Rahat Bashar. Before I first got into graphic design, I used to have a lot of misconceptions of what it actually was. I used to spend hours searching on Yahoo answers to find out more information on graphic design before I applied for my degree in the subject.
