Psychological Criminology | An Integrative Approach

Psychological criminology has a long history in criminology but only recently started to become fundamental, as until now, sociology has been the dominant discipline in the understanding of crime ...

Psychological criminology: An integrative approach ...

An integrative approach to psychological theory better accounts for this variability among offenders. Defining crime and criminals in order to examine explanations of crime and criminality, it is first necessary to define these terms and to specify what will be included in and excluded from the analyses.

Psychological Criminology: An Integrative Approach (Crime ...

It is well written in an accessible and authoritative style. The knowledgeable reader will benefit from the integration of ideas and the novice reader will benefit from the eloquent presentation of concepts and ideas, which are now so central in psychological approaches to criminal (and non-criminal) behaviour.

Psychological Criminology: An Integrative Approach (Crime ...

In this paper, we propose an alternative approach to developing criminology in Asia, which we call culture-inclusive criminology. It builds on a premise that Asia consists of a variety of cultural zones, and therefore calls for a shift from the Euro-American view on culture towards an understanding of culture in its context.
