## **Service Learning And Social Justice**

In the Student Leadership and Service (SLS) office at Lewis & Clark College, we try to frame our work through a social justice and equity lens. To that end, we utilize Lee Ann Bell's (1997) definition, which describes social justice as both a process and a goal.

Service learning is loosely defined as an educational approach that combines learning objectives with community service to provide an experience that meets the needs of a society. Social justice dates back to Plato and Aristotle and can be seen as a means to teach through the act of caring. In fact, many educators have Aristotle's quote
