Because when we compare the two, Teespring is more like an affiliate offer where the only added variable is coming up with the t-shirt design vs Shopify where you have to do the job of 7-8 people. I broke it down into jobs you have to do if you run shopify store, vs what you have to do if you run teespring:

Teespring vs Shopify - A comparison by an internet marketer

Our regular shipping orders are shipped using DHL Ecommerce. And for the USA & Canada we also have the option to upgrade it with DHL Express shipping, which is only 2-3 days shipping in total! This will build trust with your customers and allow you to build up an actual brand that can be trusted for its quality and service.
