Teaching English Grammar In Malaysian

English is an Indo-European language and belongs to the West Germanic group of the Germanic languages. Old English originated from a Germanic tribal and linguistic continuum along the Frisian North Sea coast, whose languages gradually evolved into the Anglic languages in the British Isles, and into the Frisian languages and Low German/Low Saxon on the continent.

English language - Wikipedia

Engrish is a slang term for the misuse or corruption of the English language by native speakers of Japanese and other Asian languages. The term itself relates to Japanese speakers' tendency to inadvertently substitute the English phonemes "R" and "L" for one another, a process known as lallation, because, unlike English, the Japanese language has only one liquid consonant (traditionally ...
