I briefly considered The Complete Sherlock Holmes (The Heirloom Collection), which is beautiful and seems nice (complete with illustrations), but it is \$60 and seemed on the pricey side. This Knickerbocker Classics edition is much more affordable, and has the added benefit of matching a large number of other collections of other famous novels.

I used to own the complete Sherlock stories in one volume and that was very heavy and cumbersome. At least the size and weight of each volume allows for reading in most situations. Anyone expecting to find all the Sherlock stories in this edition will be disappointed. One entire collection, 'The Case-Book of Sherlock Holmes', has been left out.
