...

Abstract or Description. The cultural politics of human rights disrupts taken-for-granted norms of national political life. Human rights activists imagine practical deconstruction of the distinction between citizens and noncitizens through which national states have been constituted. They envisage a world order of cosmopolitan states in which the rights of all would be fully respected.

'The Political Sociology of Human Rights is a very thorough treatment of the multiple dimensions of human rights and of the various actors involved in different parts of the world. It contests common assumptions and uses concrete examples to combine theoretical clarity with political concern.

The Political Sociology of Human Rights by Kate Nash

The term cultural politics refers to the way that culture—including people's attitudes, opinions, beliefs and perspectives, as well as the media and arts—shapes society and political opinion, and gives rise to social, economic and legal realities. To give an example that is relevant to DirtPol: in February this year, President Yahya Jammeh of the Gambia described homosexuals as "vermin" who should be tackled like malarial mosquitoes.
