In the Edwardian garden, the Arts & Crafts movement emphasised the importance of the partnership between architect and gardener. These sorts of gardens strove to include traditional craftsmanship in the detail of stonework, and used vernacular, natural materials for the construction of drystone walls, stone-flagged terraces and paths, semi-circular steps and sunken plats.

Edwardian tea hats started off as huge picture hats topped with flowers, big bows, and feathers. "Bird's nest" or "Garden Hats" were their nick names. Later Edwardian years had smaller hats with just a few flowers or a single big bow. These small hats fit in cars and reflected the post war economy.

Victorian Edwardian Tea Dress and Gown Guide

The Edwardian era or Edwardian period of British history spanned the reign of King Edward VII, 1901 to 1910, and is sometimes extended to the start of the First World War. The death of Queen Victoria in January 1901 marked the end of the Victorian era. Her son and successor, Edward VII, was already the leader of a fashionable elite that set a style influenced by the art and fashions of ...

The Landscape Guide » ... America is strong in landscape architecture but not quite such a leader in garden design. Americans tend to be a garden-loving people who do not have a great love of gardening. The climate tends to be too hot or too cold for working in gardens to be as much of a pleasure as it is in the gardens of Northern Europe.

Gardens in USA - the Garden Landscape Guide

Government House Edwardian Gardens. Step back in time and picture yourself in the early 1900s when this prairie oasis was created at Government House. Stroll through the lush gardens and experience the “outdoor rooms” - each with its own unique perspective, framed by sweeping lawns that follow the Edwardian Garden design.

Canada's Garden Route - Garden Experience Guide

Edwardian politics and society. The Edwardian Period and the period up to what is called the modern period occupies a small time frame but one in which world and domestic politics were turned on their respective heads. The working classes found their voice in the trade union movement and the role of women in society began, fundamentally to change.
