The Security Archipelago Human Security

" The Security Archipelago is a prescient interdisciplinary analysis that anticipates the Arab rebellions in Cairo and locates them in a longer history of what Amar calls 'human security states.' ... The Security Archipelago helps us understand how both visions for the global South employ a discourse of human security."

The Security Archipelago: Human-Security States, Sexuality ...

In The Security Archipelago, Paul Amar provides an alternative historical and theoretical framing of the refashioning of free-market states and the rise of humanitarian security regimes in the Global South by examining the pivotal, trendsetting cases of Brazil and Egypt. Addressing gaps in the study of neoliberalism and biopolitics, Amar describes how coercive security operations and cultural rescue campaigns confronting waves of resistance have appropriated progressive, antimarket ...

The Security Archipelago eBook by Paul Amar ...

Human security is a human right; it refers to the security of people and communities, as opposed to the security of states. Human security recognises that there are several dimensions related to feeling safe, such as freedom from fear, freedom from want, and freedom from indignity. A people-centred approach

Human Security | GPPAC

What Amar's The Security Archipelago proposes is nothing less than the thesis that neoliberal forms of governance in the Global South, which feature market legitimation and consumer subjectivity, have been overcome by forms of human security governance....
