I see the usage of both 'User Manual' and 'User's Manual' in daily life. I am wondering if both of them are grammatical and idiomatic? If 'User Manual' is grammatical, is 'user' used as an adjectiv...

phrase usage - 'User Manual' or 'User's Manual'? - English ...

A user guide, also commonly called a technical communication document or manual, is intended to give assistance to people using a particular system. It is usually written by a technical writer, although user guides are written by programmers, product or project managers, or other technical staff, particularly in smaller companies. User guides are most commonly associated with electronic goods, computer hardware and software, although they can be written for any product. Most user guides contain
