Lessons from the World's Top Fund Managers was one of the recent books I have read. This book essentially distilled the lessons encountered by the World's top fund managers over their investment lifetime in simple examples for readers like us.

The Value Investors - 12 Investors We Can Learn From!

“Our definition of value

Download Free The Value Investors Lessons

comes directly from the finance textbooks, which define value for any investment as the present value of the future free cash flows of that investment. You will not find value defined in terms of low P/E [price-to-earnings] or low price-to-cash flow in the finance literature.
