Good afternoon, I want to use the the “Quick Format” tool to clean my “My Book” drive.

One question is by doing this will I need to download the software again and my other question is, is there any danger that doing this will affect my computer hard drive in any way? All suggestions will be greatly appreciated.  
Thanks, Russell

and all it say is DC IN.  
If I remember correctly  
it is the 1TB with 3.0  
USB. I do not know the  
correct voltage or  
amps so I can order the  
correct replacement  
the first time. Can  
someone help me out  
with this info? Thanks,  
Bubba
