It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

September 11 brought a revival of American patriotism and a renewal of American identity. But already there are signs that this revival is fading, even though in the post-September 11 world, Americans face unprecedented challenges to our security. Who Are We? shows the need for us to reassert the core values that make us Americans. Nothing less ...

3. The Challenges that We Face to Our National Identity. Huntington devotes significant time and attention in Who Are We? Challenges to America's National Identity to the challenges posed to our national identity by mass immigration and a lack of assimilation. At this point, most conservatives can see that border security is national security. But, it's hard to see the challenges we face because of constant immigration.
